LEAGUE BOWLERS HOLD THE BOARDS

Sporting Limelight Turned on
This Popular Game.

SEASON NOW IN FULL SWING RAILROADS CAPTURE HONORS IN THE OPENING SERIES.

The bowling season opened last evening, and from now on the popular sport will be one of the features in Salt Lake sports. A good sized crowd of local enthusiasts gathered around the alleys to see the opening games of the Salt Lake Bowling League, which was organized last evening. The teams selected to begin play to settle the championship and secure the trophies emblematic of this honor were the Railroads, promptly at 8 o'clock President William H. Hedges called the meeting to order and the first ball was thrown by the Railroads and the first strike was made by the Railroads. Both scored a spare, and from that time on it was a comparatively even race between the members of the two teams.

The first game was taken by the Railroads, with ninety points to the good, but the Railroads came back at them in the second game, winning by 141 points. The Railroads by the narrow margin of three points, giving them the series of three games of the evening by thirty points.

Walton of the Nonpareils carried off high average honors of the evening with a total of 84 for the three games. His game came out for 141 points, and he was the best single game bowler, and stands as the record for other players to aim at in order to secure the prize.

Four games in all over the 30 mark were bowled during the match, which is not a bad showing for the opening series of the season. Errors were rather plentiful last evening, but these will gradually be corrected by the progress and the men become more perfect in their bowling. The Railroads strikes carried off the honors in this line. The scores:

VARSITY VICTORY IS CELEBRATED

The students of the university yesterday celebrated their victory of Saturday over Montana. The celebration lasted for two hours, during which time classes were broken up. Yells were given in all the halls and class rooms, and enthusiasm reigned supreme. President Kingsbury, thanking the students and faculty, he said that it was the spirit of the players that finally won the victory. President Kingsbury and Professor Lyman each praised the idea of a student celebration, but urged moderation. It was made a bonfire built on the campus and all the town invited to be present.
